CELEBRATING 80 YEARS!

www.coromandelramblers.com.au

Message from the President

It is good to see that all five teams have now won, with the D Grade in the top four and the A's & C's only just out. This gives us a good platform to hit the finals hard and get multiple teams into a Premiership winning position.

Take note that after Christmas players are more likely to be available so spots will become much more competitive. So keep coming to training, as it will be a factor for selection.

I would like to take this opportunity to say I hope you all had a very Merry Christmas, a Happy New Year and a safe and relaxing festive season.

We have a number of fundraising and social events coming up in the new year and I encourage all players to get involved and come along to support the Club.

Justin Strange, Club President

Milestones

Congratulations to:

David Neil 500 wickets
David is the first person in the Club's history to achieve this milestone!

Steve Davenport 300 games

Michael Jenner Scored his first century
102* with the 100 coming off 34 balls!

Ben Chilton Hat-trick

The Committee tries to keep an eye on milestones for all players but if you are approaching a "big event" please let Meredith Jenner know so we can be sure to include it.

100 Club Dinner

The annual 100 Club Dinner will be held on:

**Monday 6th February 2006
at the Blackwood Football Club**

This year the theme will be the Top 50 Players and the night will also commemorate 80 years for the Club!

While this event is organised for 100 Club members, all Ramblers players are welcome to attend. Further details of time and cost will be advised closer to the date.

Quiz Night

**Saturday 18th February 2006
at the Blackwood Football Club**

Tickets will be \$10 per head, with tables of 10.

This is our biggest fundraising event for the season and we need you all to support the Club by attending and bringing along as many family and friends as possible.

Fundraising is essential to keep the Club viable. The Club has a large number of expenses (match balls in particular are very expensive!) and your support for fundraising efforts allows us to keep the match fees as low as possible.

Further details will again be provided closer to the event but we really do stress the importance of coming out and supporting the Club – and having fun at the same time!

Payment of Fees

Unfortunately, there are still a small number of players who have not been very prompt in their payment of match fees – you know who you are!

If this continues fines will be imposed and persistent late or non-payment could result in the players concerned being dropped from the team.

Preparation for Game

Some tips for before game:

- Hydration – It is your responsibility to find out what the temperature will be on game day. If it is going to be hot, hydrate your body on the day before. Trying to hydrate the morning of the game is NOT effective.
- Always take a jumper.
- Always take blockout... put it on just before you leave home and put it on again at drinks.
- Buy a pack of chalk... don't rely on others to provide it.
- Repellent... essential as flies are abundant this season. You need to concentrate on batting.
- Get to the game 30 minutes MINIMUM before the start time to help set up and prepare yourself... avoid rushing.
- Always stretch before and during the game... clear lactic acid from legs after the game by "cooling down".
- Batsmen – on Saturday morning, hit a ball in a sock hanging from the washing line 100 times. If you miss-hit, start again.

Tony Benson. Coach

Training

If anyone feels that they have particular training needs (eg you need some batting training and want someone in particular to bowl to you) then please let Scott Brodie know at the start of training.

He is in charge of allocating time on the centre wicket and will try and get people that need batting time in the middle out there. However, please note that he cannot guarantee it if there is high demand.

Coordinating training is not easy and Scott does an excellent job – please be understanding and recognise that there are a lot of guys all wanting to use the same facilities and that you may need to wait for a turn!
