PRESIDENT: MATT SMITH

Another season come and gone so quickly. It feels like only days ago that the seniors and u16s were starting preseason in the Gillespie Centre... that was August!

Our senior results were a mixed bag with the As finishing 7th (yet were a chance of playing finals until the final round), the Bs finishing the minor round 1st and therefore declared premiers, the Cs finished 4th with their strongest team of the season available for finals, the Ds found the competition a little stronger since moving up a division with last year's premiership, and the Es just missed out on finals in their first season together. We did back-up the ASCA T20 win last year with another premiership under Fabian Saunders, convincingly defeating Happy Valley at their home ground. We are now a dominant force in T20 and we need to transition that confidence back into our

A Grade Saturday cricket. It's a fantastic sign for the club that we have been able to fill 5 teams every week of the season and full credit to Steve Davenport and Brett Chilton for recruiting "Dads Army" to play with their sons in various games. Across the grades we have the youngest group of senior cricketers in the Adelaide & Suburban Competition which is very positive for our future, but we also need to provide the boys with the direction and leadership to reach their full potential.

The senior players in our teams become very important role models and we need to consider bringing in outside experience to add to our coaching expertise. I would like to thank our Senior Captains this season in Jon Ferris, Jarrad Benson, Andrew Strunk, Steve Davenport & Brett Chilton for guiding the ship. I'd also like to thank Dave Benson for volunteering as our coach for the last half of the season when it was clear that we needed some coordination and leadership amongst our senior group – there was a clear improvement in many areas of our game.

In our juniors we again saw a fresh bunch of u10s brought together to form a new team who successfully

played

under the Cricket Australia modified rules. Thank you to Michael Engelsma for coaching the kids who in many cases have never played "real cricket" before. Our u12s had some great results across the season with only a

few losses coming against the big clubs who have significant depth in juniors. Thank you to our experienced team of u12 coaches in Tim Beavan and Aaron Dunk for getting the best out of our kids. Our young group of

u14s faced some strong opposition with plenty of depth in this age group amongst SCJCA clubs. While only

winning one game the boys did receive some fantastic coaching which will benefit them in the future from our

newest combination in Jarrad Benson and Peter McGinn, who played together in the A Grade back in the 90s.

The Ramblers seem to be specialists at the T20 format with the u14 boys winning 3 games and only losing one.

Thank you to Jarrad, Peter and our u14 parents who allowed their boys to fill in for the u16s when needed.

Speaking of filling in, we saved the toughest gig for Daryl Riley and Rod Austin to compete with only 8 to 9

players in the u16 team. It's a huge credit to Daz, Rod and all the u16 lads for fighting out the season at a

disadvantage to their opponents. The boys also entered the T20 comp along with only 3 other clubs – thanks for

making the effort and to more u14 lads who assisted in T20s. Well done to the boys who played up in the seniors

too with some outstanding results, including a century to Ben Wender.

Our senior results were a mixed bag with the As finishing 7th (yet were a chance of playing finals until the final round), the Bs finishing the minor round 1st and therefore declared premiers, the Cs finished 4th with their strongest team of the season available for finals, the Ds found the competition a little stronger since moving up a division with last year's premiership, and the Es just missed out on finals in their first season together.
